## Attention Retiree's Chapter Member:

Due To The COVID-19 Pandemic, National APWU Retiree's Director Nancy Olumekor, Has Advised All Local Retiree's Chapter's To Cancel All Local Chapter "In Person" Membership Meetings, Until Further Notice. Therefore, Considering The Safety And Health Of All Our Dues Paying Members, Our Local-7140 Illinois Retiree's Chapter Will Not Have Any Retiree's "In Person" Membership Meetings The Remainder Of 2020. Our Local Retiree's Executive Board Will Be working From Home, And Will Continue To Provide The Retiree's Membership With Local And National Retiree's Information.

For Updated APWU Information, You Can Visit Our National Website:

[APWU.ORG](http://APWU.ORG), Go To Members Only, Then The Retiree's Department To Sign In. Your Membership Card ID Number is Your Screen Name, Then Your Last Name, And The Last 4 Of Your SS Number Is Your Password.

Finally, We Are Under Attack. The State Of Our Union Is Threatened By A Serious Systematic Effort To Privatize The Postal Service, Veterans Healthcare, The Office Of Personnel Management, And Other Federal Government Agencies. If Successful, Our Retirement, Healthcare, Social Security, And Medicare Benefits, will be reduced dramatically. The Only Solution, Is To Vote The Current Political Leaders Responsible, Out Of Office. Our Retiree's Chapter Suggests, That Our Retiree's Member's Spread The Word, To Vote Early By Mail, Or In Person.
