Hello Postal Family,

My name is Linda Carter and I am the newly appointed Legislative Committee Director for the NWIAL 7140 Local. I am currently soliciting old and new members to join me in creating a new committee. Those who are interested please contact me at the following number 1 630 260 5169 Union RM. The details of the committee will be discussed once we come together at a later date of our choosing. The information that is detailed on the following pages are some informative current news that will be affecting us as Postal Workers. We must keep watch and be prepared to take action whenever necessary to keep the rights, protections and benefits. We must continue to ensure these protections are upheld by becoming active in the struggle.
